Dinner & Celebration

HONORING LOCAL HERO, TOM JONES,

FOR HIS ACCOMPLISHMENTS IN THE FIGHT AGAINST CHILD ABUSE.

Guest of Honor

Tom Jones

The CHARM Foundation, a unique nonprofit organization that raises money for various worthy charities across the nation, stands for giving and for building dreams. Founded in 1998 by Glenn and April McCusker, it is due to the generosity of the CHARM Foundation that its mission can be realized — that 100 percent of all proceeds raised go toward their intended use, to helping those people and charities in need. Since its inception one year ago, the CHARM Foundation has raised and placed over \$1 million for children's hospitals, battered women and children shelters, education scholarships and resources, and charities like the United Way and the Orangewood Foundation.

Celebrity Guests

Reggie Jackson, baseball's legendary Hall-of-Famer, and Joe Montana, one of the NFL's all-time great quarterbacks.
