Tom Jones

As Mayor of the City of Los Angeles, on behalf of its residents, it gives me great pleasure to commend and congratulate you for your outstanding efforts to raise funds for the Orangewood Children's Foundation and child abuse awareness by running from the California/Oregon border to the California/Mexico border. Your commitment and the sacrifices that you have made to achieve this goal are truly worthy of praise and recognition.

Best wishes for continued success on your run and in all your future endeavors.
